What They're Saying About Cypress

Thank you once again, for the fine services you and Cypress provided for my husband. We feel blessed that we called upon you for assistance and you were there. Thank you for the privilege of working with you.

— Laura, wife of client

Thank you for your kindness and support in helping our mom; you literally saved her. Thanks for being our mom's guardian angel, we are all so thankful to have found you!

— Debbie, daughter of client

On behalf of my entire family I would like to express a sincere appreciation and gratitude to you and your staff for your compassion and the exemplary care that you continue to give my father. You have shown my father a level of kindness and professionalism that is hard to find in the realm of caregiving. My mother, brothers and sisters all feel at ease knowing that my father is getting the best care in the state of Arizona.

— Mary, daughter of client

When we first moved to Arizona, leaving all our friends and family, it was really hard on us. Then we met Eva. Eva turned everything around for us. She's part of our family.

Services Customized for You

We are a solutions driven company where people matter. Our experienced and compassionate caregivers provide:

Personal care – Everyday tasks like bathing, grooming and dressing.

Companionship – Whether it's reading, playing games, or enjoying a meal together.

Fall precaution care – Falls are always a concern and safety at home is of utmost importance.

Light housekeeping – The smallest things can sometimes be a challenge; i.e. vacuuming, dishes, and removal of trash.

Medication reminders – We assist to assure medication is taken at the right time every day.

Range of motion/walking assistance – After an injury, or just to remain mobile.

Respite for family members – Caring for loved ones can be a full-time job, so let us free up some time.

Transportation – We help our clients get where they need to go; i.e. doctors appointments, meetings and religious services.

Shopping/errands – Going to the grocery store, picking up a prescription or going to the mall.

Meal planning and preparation – Our trained caregivers encourage a healthy diet and help to ensure proper nutrition.
